

SOFTWARE DEVELOPER - FULL STACK

Company: InnovateTech Solutions

Location: Bangalore, India (Hybrid)

Experience: 2-4 years

Posted: September 2025

JOB OVERVIEW

We are seeking a talented Full Stack Developer to join our growing engineering team. You will be responsible for developing and maintaining scalable web applications that serve millions of users globally.

KEY RESPONSIBILITIES

- Design and develop responsive web applications using modern frameworks
- Build and maintain RESTful APIs and microservices architecture
- Collaborate with product managers, designers, and other engineers
- Participate in code reviews, testing, and deployment processes
- Optimize application performance and ensure scalability
- Work in an Agile/Scrum environment with regular sprint cycles
- Mentor junior developers and contribute to technical documentation

REQUIRED SKILLS & QUALIFICATIONS

Must-Have Skills:

- 2+ years of experience in full-stack development
- Proficiency in JavaScript, Python, or Java
- Strong experience with React.js or Angular framework
- Backend development experience with Node.js, Django, or Spring
- Database design and optimization (PostgreSQL, MySQL, or MongoDB)
- Version control systems (Git) and collaborative development
- RESTful API design and integration

- Cloud platform experience (AWS, Azure, or GCP)
- Understanding of Agile development methodologies

Good-to-Have Skills:

- Experience with containerization (Docker, Kubernetes)
- Knowledge of microservices architecture
- Familiarity with CI/CD pipelines and DevOps practices
- Experience with TypeScript
- Knowledge of caching strategies (Redis)
- Familiarity with testing frameworks (Jest, PyTest)
- Experience with message queues (RabbitMQ, Kafka)
- Mobile app development experience
- Machine Learning or AI integration experience

TECHNICAL REQUIREMENTS

- Bachelor's degree in Computer Science, Engineering, or related field
- Strong problem-solving and analytical skills
- Excellent communication and teamwork abilities
- Ability to work in a fast-paced startup environment
- Passion for learning new technologies and staying updated with industry trends

WHAT WE OFFER

- Competitive salary package (₹8-15 LPA based on experience)
- Flexible working hours and hybrid work model
- Professional development opportunities and learning budget
- Health insurance and wellness programs
- Stock options and performance bonuses
- Modern office with latest development tools and equipment

COMPANY CULTURE

InnovateTech Solutions is a rapidly growing fintech company focused on building next-generation financial applications. We value innovation, collaboration, and continuous learning. Our diverse team of 200+ engineers works on cutting-edge technologies including blockchain, AI, and cloud computing.

APPLICATION PROCESS

Please submit your resume along with:

- Portfolio of recent projects or GitHub profile
- Cover letter explaining your interest in this role
- Any relevant certifications or online course completions

We are an equal opportunity employer committed to diversity and inclusion.
